Wedgewood Estates Community Services

Professional Nursing Services

Manor House... While we have a beautiful building and grounds, nothing compares to the beauty in the caring hands and hearts represented in our professional nursing staff! Led

by Susan McFarland, our Director of Resident Services, our caring nurses are always available to meet your needs from assistance with medications to physician-prescribed treatments and everything in between! Assisting with your daily personal needs are our compassionate Resident Companions who delight in going out of their way to make you feel comfortable and at home.

Garden Homes... While daily nursing services are not provided in our Garden Homes, each Garden Home is equipped with an emergency call system for your security and peace of mind. If you are ever in need of a consultation with one of our nurses, she is just a few steps away! Garden Home residents also enjoy a monthly mini-physical appointment with Susan McFarland, our Director of Resident Services, in which your monthly vitals are tracked and general questions about your medications and symptoms can be reviewed.

Dining Services

Manor House... The Dining program at Wedgewood Estates offers well-balanced nutritious meals and snacks. We can incorporate special physician-prescribed diets that a resident may have. The dining program is supervised by a registered dietitian and facilitated by our Food Service Manager, Tammy Bletz. Residents are encouraged to actively participate in the planning of our food service by becoming involved in our resident food committee which meets weekly with the Food Service Manager to approve and comment on upcoming menus.

Dining times are on a set schedule allowing for consistency in our residents diet and eating patterns. Special holiday and theme meals including picnics in the summertime and special meals to coordinate with ongoing activities are a great way for our residents to enjoy a vast variety of foods. Special religious diet requirements that our residents may have are also met by the dining services.

Our self-serve ice cream parlor is available 24-hours per day and includes a popcorn machine, soda fountain, cracker basket, fresh fruit basket, and, of course, a fully stocked ice cream freezer.

Birthdays & Anniversaries are special to us! Each resident has the opportunity to celebrate their birthday and wedding anniversary with a special dinner for up to 8 people in our formal dining room. This is a complimentary dinner party complete with cake and ice cream!

Need to host a special event for friends and/or family? Our dining services also offer catering for your special events. Simply contact Dietary Manager Tammy Bletz for full details.

Wedgewood Estates
Manor House

Garden Homes... Join us monthly for the Garden Home brunch and enjoy a large tasty breakfast with your neighbors! Like liver & onions, but don't like the smell it creates in your home - or the messy cleanup? Watch your weekly menus and come join us for your favorite meals! Many Garden Home residents also enjoy joining in for special cookouts and holiday meals provided by our Dining Services. Not feeling particularly well one day? Call our dining service for a meal delivery to your home!

Social Affairs Program

The social affairs program at Wedgewood Estates is headed by our Social Affairs Coordinator, Pat Burggraf. Wedgewood Estates is dedicated to providing a wide range of recreational, social and educational programs for each Manor House and Garden Home resident. Activities are scheduled on a daily basis and include such programs as:

Comprehensive Exercise Program - includes calisthenics 3 days per week and weight training two days per week - A COMMUNITY FAVORITE!

Religious Services & Studies

Weekly Grocery Shopping Outings

Monthly Birthday Parties

Ice Cream Socials

Special Music Performances

Current Affairs

Movies

Outings

Euchre Clubs

Intergenerational Programs

Sing-a-Long

...and many other social gatherings!

The Wedgewood Salon

The Wedgewood Salon is open for beauty services by our stylist, Sheri Windbiggler, Wednesday and Thursday each week. Beauty services provided at the Wedgewood Salon include complete hair care for women and men.

Housekeeping & Laundry Services

Our Housekeeping department is led by Marqueitta Rine, who has been with Wedgewood Estates since we opened in 1997! Complete housekeeping and laundry services are offered as a part of our daily services. Each residential suite is thoroughly cleaned once a week with spot cleaning as necessary. Our staff carefully launders each resident's clothing separately, following garment care instructions. Residential laundry facilities are located in each "neighborhood" if residents wish to do their own clothes laundering.

Comprehensive Maintenance Services

Tim Hildebrand, Maintenance Director, has been making sure all of our maintenance needs are met in a timely manner and with a smile since Wedgewood Estates opened in 1997! Wedgewood Estates offers complete maintenance services for Manor House and Garden Home residents... from hanging those favorite family photos to fixing faucets!
